

Proud to be: Vibrant

Discover the Colours of NJC. Be *Vibrant!* at NJC.

Being vibrant is all about being diverse, dynamic, striking and energetic – essential characteristics inherent in the NJC community – in a vibrant environment that nonetheless embraces all backgrounds and cultures.

NJC, the College of the Nation, has produced numerous outstanding alumni, many highly regarded and excelling in diverse fields of expertise. Our enduring drive to provide you with differentiated and unique learning experiences has culminated in a broad range of programmes such as Enhanced Boarding, Science Training and Research (STaR), Advanced Inquiry in Mathematics and Science (AIMS) and the Sapphire Programme.

What's more, a comprehensive and exciting range of co-curricular activities await you at NJC – many of which excel in both local and international arenas – be it the sports, performing arts or a multitude of interest groups for your selection.

Clearly, NJC does not solely focus on academic excellence but constantly strives to develop you holistically as future leaders with initiative and passion. If you are keen to embark on an education that is diverse, dynamic and energetic, come:
